

NOW IN ANACORTES!!!

Kaleidoscope Play & Learn© groups help families prepare their young children (birth to age 5) for success in school and life. This program, based on scientific evidence, reaches families in their neighborhoods at weekly, facilitated playgroups.

At a Kaleidoscope group, children have fun participating in activities and being around their peers. Family members learn about:

- Activities they can do at home to support children's learning
- Turning everyday activities- such grocery shopping, cooking and bath time- into early learning opportunities
- Child development from birth to five
- Skills children are expected to have when they start school
- Community programs and services available to help them raise healthy children

Kaleidoscope Play and Learn group will be offered at **Fidalgo DanceWorks Annex, located at 909 3rd St., Anacortes.** The program is free of charge and begins March 8. The group will be held **Thursdays from 10:45 until 12:00 through June 7, 2018.** There will be no group on April 5th due to Spring break. For more information, contact Nicole Mortimer: nmortimer@asd103.org

This program is made possible through a partnership between Anacortes School District and Fidalgo DanceWorks and sponsored by Kiwanis Noon Club.
